# Green Chicken Poultry Finisher Pellet

**Green Chicken Stockfeed** blends Certified Organic grains and protein meals with BioChar Activated **Feed Additive**, to provide your flock with all the essential mineral and vitamin requirements for optimum health and productivity.

Our **Green Chicken Stockfeeds** offer you an affordable and environmentally friendly option while delivering superior health to your poultry.

### Nutrition

Provides all the essential minerals for poultry, considering the requirements and differences of foraging behavior, age and stage of production.

Increases production due to binding of Mycotoxins and positive gut health. BioChar Activated Feed Additive extends retention time of feed and improves the Feed Conversion Ratio (FCR).

### Superior Health

The key ingredient is a specially formulated blend of biochar for animal ingestion to improve livestock health through favourable gut micro flora and removal of pathogenic flora (e.g. Campylobacter and Heliobacterium), aiding weight gain and ultimately improving the profitability of your poultry operation.

### Environmental Benefits

Reduction in nitrogen loss and greenhouse gasses (reduced odour) due to enhanced Cation Exchange Capacity; decreased Ureolytic activity; and decreased PH or aeration.

The value of manure is also improved creating a more stable fertiliser with higher nitrogen, phosphorus and potassium (NPK) values and stable carbon to add to soil values for future carbon credits.

# GREEN CHICKEN POULTRY FINISHER PELLET

### PRODUCT DESCRIPTION

Green Chicken Poultry Finisher Pellet is a premium quality and certified organic feed for growing chickens. It provides a nutritionally balanced diet and is suitable for broilers, ducks and other poultry. The addition of BioChar Activated will increase growth, decrease manure odour and improve the health and wellbeing of your chickens.

### TYPICAL COMPOSITION

Cereal grains, legumes and pulses, vegetable protein meals, vegetable oils, salt, limestone, bentonite, MDCP, BioChar Activated, amino acids, enzymes, vitamins and minerals. Raw materials may change depending on seasonal variability.

### DIRECTIONS FOR USE

- Green Chicken Poultry Finisher Pellet is a complete feed and supplementary feeding is not required.
- Provide unlimited access to feed, ideally in a feeder.
- Ensure that fresh, cool and clean drinking water is available at all times.
- Replace feed regularly and remove spoiled feed.
- Feed intake may vary depending on shed conditions, health of animal, season and other environmental factors.

Green Chicken Poultry Finisher Pellet can be used for the following conditions as a guide only:

STAGE OF GROWTH	AGE	FEED INTAKE (Grams/Head/Day)
Broilers	4 weeks	140-160
	5 weeks	160-180
	6 weeks	180-200
	7 weeks	200-220
	8 weeks / slaughter	220-240
Ducks	1 - 2 weeks	30-100
	3 - 4 weeks	150-190
	5 - 6 weeks	200-235
	7 - 8 weeks	235-250

### NUTRITIONAL ANALYSIS

CRUDE PROTEIN	ENERGY (ME)	FIBRE (NDF)	FAT
20.8%	13.9 Mj/Kg	8%	8.5%
PHOSPHOROUS	CALCIUM	LYSINE	SALT
0.8%	1.2%	1%	0.5%
METHIONINE	VIT. A	VIT. D	VIT. E
0.4%	12 Kiu	4.5 Kiu	7.5 Kiu

### QUALITY PRODUCT

This product is manufactured under strict quality control standards.

### WITHHOLDING PERIOD

Nil.

### WARNING

Feed only to poultry.  
This product does not contain urea or medication.  
**THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL.**

### STORAGE

Store in a cool, dry, shaded area, protected from vermin.

### BEST BEFORE

6 months from manufacture.

### PACKAGE SIZE

25kg bags, 500kg bulka bags, 1000kg bulka bags, bulk.
