# Classic Pig Grower Pellet

**Classic Pig Stockfeed** blends grains and protein meals with BioChar Activated **Feed Additive**, to provide your herd with essential mineral and vitamin requirements for optimum health and productivity.

Our **Classic Pig Stockfeeds** offer you an affordable and environmentally friendly option while delivering superior health to your pigs.

### Nutrition

Provides essential minerals for pigs, considering the requirements and differences of foraging behavior, age and stage of production.

Increases production due to binding of Mycotoxins and positive gut health. BioChar Activated Feed Additive extends retention time of feed and improves the Feed Conversion Ratio (FCR).

### Superior Health

The key ingredient is a specially formulated blend of biochar for animal ingestion to improve livestock health through favourable gut micro flora and removal of pathogenic flora (e.g. Campylobacter and Heliobacterium), aiding weight gain and ultimately improving the profitability of your pork operation.

### Environmental Benefits

Reduction in nitrogen loss and greenhouse gasses (reduced odour) due to enhanced Cation Exchange Capacity; decreased Ureolytic activity; and decreased PH or aeration.

The value of manure is also improved creating a more stable fertiliser with higher nitrogen, phosphorus and potassium (NPK) values and stable carbon to add to soil values for future carbon credits.

# CLASSIC PIG GROWER PELLET

## PRODUCT DESCRIPTION

Classic Pig Grower Pellet is a premium quality feed for pigs. It provides a nutritionally balanced diet and is suitable as a complete feed for all stages of a pig's growth. The addition of BioChar Activated will increase weight gain, improve feed conversion ratio, decrease manure odour and improve the health and wellbeing of your pigs.

## TYPICAL COMPOSITION

Cereal grains, legumes and pulses, vegetable protein meals, vegetable oils, salt, limestone, bentonite, MDCP, BioChar Activated, amino acids, enzymes, vitamins and minerals. Raw materials may change depending on seasonal variability.

## DIRECTIONS FOR USE

- Classic Pig Grower Pellet is a complete feed and supplementary feeding is not required.
- Ensure that fresh, cool and clean drinking water is available at all times.
- Replace feed regularly and remove spoiled feed from feeders.
- Feed intake may vary depending on shed conditions, health of animal, season and other environmental factors.

Classic Pig Grower Pellet can be used for the following conditions as a guide only:

STAGE OF GROWTH	AGE / WEIGHT	FEED INTAKE (KG / HEAD / DAY)
	3-8 weeks	Ad lib
Weaner	30kg	1 - 1.5
Grower (8-12 weeks)	40kg	1.5 - 2
	50kg	2 - 2.5
	60kg	2.5 - 3
	70kg	3 - 3.5
	80kg	3.5 - 4
	12 weeks	3 - 4
Finisher		6 - 8
Lactating Sow		1.5 - 2.5 (restrict intake)
Dry Sow		2 - 3 (restrict intake)
Boar		

## NUTRITIONAL ANALYSIS

CRUDE PROTEIN	ENERGY (ME)	FIBRE (NDF)	CALCIUM
18.6%	13.6 Mj/Kg	10%	0.8%
PHOSPHORUS	FAT	LYSINE	SALT
0.5%	5.9%	0.9%	0.6%
METHIONINE	VIT. A	VIT. D	VIT. E
0.3%	0.6 Kiu	0.12 Kiu	1.6 Kiu

## QUALITY PRODUCT

This product is manufactured under strict quality control standards.

## WITHHOLDING PERIOD

Nil.

## WARNING

Feed only to Pigs.

This product does not contain urea or medication.

**THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL.**

## STORAGE

Store in a cool, dry, shaded area, protected from vermin.

## BEST BEFORE

6 months from manufacture.

## PACKAGE SIZE

25kg bags, 500kg bulka bags, 1000kg bulka bags, bulk.
