Green Horse Horse and Pony Pellet

Green Horse and Pony Pellet blends Certified Organic protein meals with **BioChar Activated Feed Additive**, to provide your horse with essential minerals and vitamins for optimum health.

Our **Green Horse Horse and Pony Pellet** offers you an affordable and environmentally friendly option while delivering superior health to your horses.

Nutrition

Provides essential minerals, fibre, protein and energy for maintenance of horses and ponies undertaking light to moderate work.

Superior Health

The key ingredient is a specially formulated blend of biochar for animal ingestion to improve animal health through favourable gut micro flora and removal of pathogenic flora. This will improve your horse's body and coat condition, overall health and happiness.

Environmental Benefits

Reduction in nitrogen loss and greenhouse gasses (reduced odour) due to enhanced Cation Exchange Capacity; decreased Ureolytic activity; and decreased PH or aeration. The value of manure is also improved creating a more stable fertiliser with higher nitrogen, phosphorus and potassium (NPK) values and stable carbon to add to soil values for future carbon credits.

AGRICULTURE

PRODUCT DESCRIPTION

Green Horse and Pony Pellet is a premium quality and certified organic supplement for horses and ponies undertaking light to moderate work. The addition of BioChar Activated will improve your horse's body and coat condition, overall health and happiness.

TYPICAL COMPOSITION

Cereal grains, legumes and pulses, vegetable protein meals, vegetable oils, salt, limestone, bentonite, MDCP, BioChar Activated, amino acids, enzymes, vitamins and minerals. Raw materials may change depending on seasonal variability.

DIRECTIONS FOR USE

- This product is not a complete feed. It must be fed in conjunction with approximately 1% of the horse's bodyweight in quality hay, chaff and/or grazing.
- Introduce the ration gradually over 2 weeks.
- Ensure that fresh, cool and clean drinking water is available at all times.
- Pellets should be limited to 1% of horse's bodyweight per day.
- The feeding rates below are a guide only. Adjust feeding rates according to roughage quality, horse's condition and exercise level. If higher amounts are needed, consider splitting amount between 2 feeds.

BODY WEIGHT	EXERCISE LEVEL	
	LIGHT WORK	MODERATE WORK
300 KG	0.5-1.5kg/head/day	1-2kg/head/day
400 KG	1-2kg/head/day	1.5-2.5kg/head/day
500 KG	1.5-2.5kg/head/day	2-3kg/head/day
600 KG	2-3kg/head/day	3.5-4.5kg/head/day

NUTRITIONAL ANALYSIS

CRUDE PROTEIN	ENERGY (ME)	FIBRE (NDF)	CALCIUM
16%	12.5 Mj/Kg	14%	1%
PHOSPHORUS	FAT	STARCH	SALT
0.4%	6.4%	35%	1.1%
MAGNESIUM	VIT. A	VIT. D	VIT. E
0.7%	20 Kiu	2 Kiu	60 Kiu

QUALITY PRODUCT

This product is manufactured under strict quality control standards.

WITHHOLDING PERIOD

Nil.

WARNING

Feed only to horses.

This product does not contain urea or medication.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL.

STORAGE

Store in a cool, dry, shaded area, protected from vermin.

BEST BEFORE

3 months from manufacture.

PACKAGE SIZE

25kg bags, 500kg bulka bags, 1000kg bulka bags, bulk.
